

Kinross Primary School
Primary 1b Class Letter
2026-27

Dear Parent/Carer

Now your child is in Primary 1b we would like to share some information with you about the year ahead. We encourage children to wear full school uniform to school. If you require support in providing uniform, then please do not hesitate to contact the headteacher or deputies in confidence. In addition to this we ask that your child is provided with gym shoes or equivalent to change into when they are in the classroom.

Primary 1b will have gym on a Wednesday with Mr Graham and on a Tuesday with me. Please ensure that your child wears full PE kit on these days. Gym kit for Kinross Primary is a white t-shirt/House t-shirt and grey/black shorts/bottoms. Please note, no football colours should be worn. A waterproof jacket is essential as we often go outside for learning. **Please put pupils' names on all items** as things can be mislaid.

Our first context for learning this term will be Where We Belong. As part of this we are always looking for ways to engage parents and the local community. If you can help in any way, please get in touch.

This session all children will also have the opportunity to participate in Drama with Mrs Ogg on a Monday.

Lunchtime for Primary 1b will be 12:00 – 12:45pm.

Children are able to bring bikes and scooters to school but are asked **not to cycle or scooter in the playground or in the lane due to health and safety**. All children cycling to school should be wearing a safety helmet.

At Kinross Primary School our core values are Wellbeing, Ambition, Teamwork and Achievement. These underpin everything we do and what we foster in all our children. When children face challenges, we use a restorative approach to repair relationships and try as much as possible to encourage the children to resolve situations themselves with the support of adults.

We hope that your child will enjoy the year ahead and engage in all the exciting learning opportunities that are planned. We have an open-door policy at Kinross Primary and would encourage parents to become as involved as they can with their child's learning. Our website www.kinrossprimary.org.uk has many useful links and information about the learning in school and how you can help at home.

We have a school app which is free for parents/carers to download from the app store. This will keep you up to date with events and important information for your child's class. As we are a cashless school, all parents are set up on Parent Pay for any purchases and school trips etc.

I look forward to meeting you at 'Meet the Teacher' from 2.15pm to 3pm on Friday 21 August.

Yours sincerely

Mrs Nicci Wyllie
